## OBJECTIVE

Seeking a Full-time position in Data Science / Front-End Design

## EDUCATION

### The University of Akron, Akron, Ohio

August 2015-Present

- ◆ Pursuing a Major in Computer Engineering with Minors in C.S. and Mathematics
- ◆ Expected Graduation: Spring 2019
- ◆ Current Cumulative GPA: 3.142

### Stow-Munroe Falls High School, Stow, Ohio

June 2015 (Graduated)

- ◆ Completed Six-District Compact Engineering Academy
- ◆ Completed and passed 5 AP-level classes and tests
- ◆ GPA: 4.2

## WORK

## EXPERIENCE

### Summer IS Operations Intern, The J. M. Smucker Company

Summer 2017 & 2018

- ◆ Updated and added features to existing in-house custom C#/ASP.NET applications
- ◆ Re-platformed legacy company sites from C#/ASP.NET into Pimcore 5/PHP
- ◆ Learned and implemented PowerShell scripts to automate redundant tasks

### Engineering Mentor, University of Akron

August 2016-April 2017

- ◆ Met with younger students in similar majors to help them get used to campus/classes
- ◆ Collaborated with fellow mentors to better assist freshman

### TWE at Stow-Munroe Falls High School, Stow, Ohio

August 2012-August 2015

- ◆ Maintained and replaced technology in the school building
- ◆ Assisted teachers with technology-related problems
- ◆ Troubleshoot network and desktop issues, PC and Mac
- ◆ Managed large-scale technology redistribution/transitions

## SKILLS

- Git • HTML • CSS • Python • Javascript • Java • PowerShell • C++ • Linux
- Raspberry Pi / Arduino • Quick learner, pick up new skills easily
- Expert knowledge of Windows XP through 10, and general computer hardware/software
- Excellent interpersonal skills, and sufficient Information Technology experience (TWE)

## EXTRACURRICULAR

## ACTIVITIES / PROJECTS

### Logistics Lead/Website Designer, HAKron

August 2016-Present

- ◆ Assist in creation of first programming club on campus, boosting membership from 5 to 60+ students who attend weekly meetings and programming workshops
- ◆ Organized and ran three successful 24-hour hackathons in Akron with 130+ participants
- ◆ Designed hakron.io website, logos/artwork, and performed many other creative tasks

### Secretary, IEEE Student Chapter UA

August 2015-2017

- ◆ Helped reorganize student chapter on campus, increased membership from 5 to 30 students
- ◆ Secured sponsorship from the University of Akron Honors college
- ◆ Worked on school/personal projects, received help from professors

### Programming Club, Founder and President

January 2014-2015

- ◆ Designed and executed lessons in programming
- ◆ Work with both Java and C++ languages
- ◆ Assist fellow members in troubleshooting code and syntax errors
